School Vision Statement: The vision of the Hanby Arts Magnet School is to embrace teaching and learning through a unique academic learning community that integrates the arts.

Goals:

- To continue to develop a sense of community for staff and students.
- To improve student achievement
- To provide arts interaction through exposure to, and integration of the arts in all areas of study.

Guidance: Kevin Kissling

Nurse: Linda Davis, R.N.

Parent Involvement Opportunities: Parents are essential in the success of the variety of clubs that are available to our students. Parents also serve as classroom assistants helping teaching, working in the media center, running Junior Achievement and serving on several committees. Parents are an essential part of Hanby.

Five "Fast Facts" About Our School:

- Was the first high school built in 1923
- Has a strong partnership with Otterbein, and our students walk there for a variety of activities
- Rated Excellent by the Ohio Department of Education
- Partnership with Ballet Met, David Myers Studio, Generations Dance
- 2009-2010 School Theme is Journeys

Available Student Activities: After school clubs: Chess Club, Writing Club, Language Club, Scrapbook Club, Choir, Art Club, Knitting Club and International Club.

What We Do For Fun: Together we work to create a positive climate for our students by showing them that learning can and should be fun!

About Our Staff: We have 3 National Board certified teachers and the staff's teaching experiences are varied. We have teachers who devote extra time to serve on community committees and who participate in the arts outside of the school day.
