

BUSINESS SPONSORSHIP OPPORTUNITIES

Promote your business at what is quickly becoming another great tradition in our community!

The Westerville Education Foundation (WEF) is holding its Second Annual Mini-Golf Outing Fundraiser at the Westerville Mini-Golf Center, 450 W. Schrock Rd. The outing takes place on May 15, 2010, from 10:30 a.m. to 3:30 p.m. and includes both morning and afternoon "tee times". Last year's event drew 155 participants!

Event organizers want this to be a relaxing, enjoyable day for all who participate, so there is no competitive element to the outing whatsoever. The day will include several fun elements, such as raffles, door prizes, food, entertainment, and hole-in-one contests. As such, we are hoping area businesses will support this cause by sponsoring mini-golf holes and providing raffle items.

Founded in 1993, the WEF is an independent, volunteer, non-profit organization that awards grants to Westerville City School District teachers. Grant proposals are thoroughly reviewed and winning teachers use the funds to implement creative initiatives in the classroom. Grants are also available to other district employees to support innovative activities and programming. Donations to the WEF are tax-deductible; consult your tax advisor.

We truly hope you will become a sponsor of this event. Thank you in advance for joining us in the support of our teachers and the education of our Westerville City School District students!
