**STUDENT PARKING REGULATIONS**

1. All staff lots are reserved from 7:30 AM to 3:00 PM. Parking in these areas for any reason will result in a ticket and/or towing of your car. Staff parking areas include the north side of Blendon Middle School, the east side of Blendon Middle School, the parking area between Blendon and South, the Enrichment Center parking area, South's front oval parking area and the parking area on the south side of South High School. Staff's parking areas are clearly marked.
2. A parking pass is specific to particular student lots by grade level. Spaces in all student lots will be filled on a first-come, first-served basis by student permit holders. Senior parking areas include the Tennis Court lot, the Commons parking lot, and the Stadium/Band lot. The junior parking area is the Walnut Street lot and the overflow lot is the front section of the Whittier Elementary parking lot. Student parking areas are clearly marked by signs and on the parking map.
3. Students with parking permits are to park between white lines. Parking in the staff areas, in bus zones, in fire lanes, along curbs, or marked Visitor/Handicap spaces is prohibited. Cars parked illegally will be ticketed and/or towed at the owner's expense. Tickets result in a \$10.00 fine for each ticket issued. After the fifth offense, the parking permit may be revoked and the automobile may be towed at the owner's expense.
4. Parking passes must be visible through the windshield of the car.
5. If your pass is lost, stolen or misplaced you must report it immediately to school administration or the school's resource officer. A replacement decal will be issued at a cost of \$10.00.
6. Students that have paid for a decal may still be ticketed. Some examples that will cause you to be ticketed are: a) parking in the wrong lot or a staff lot;
7. b) parking in unmarked areas; or c) parking in a "Handicap" or "Visitor" space.
8. A car that is towed will be towed at owner's expense. Once a car has been placed on the tow list it will remain there and will be towed upon future offenses. The current fee for towing is \$156.95 (subject to change).
9. Students may be in vehicles only upon immediate arrival to school and during departure from school. Students with modified schedules must have their photo ID card with them. Students with modified schedules may not transport students who do not have early release permission. Students with "late arrival" schedules often have trouble finding available parking.
10. Students may not sit in their cars while parked on school grounds. Students are not to leave the building during the school day to get things from their vehicles without first obtaining permission from an administrator. Cars are to remain locked while on school grounds. Students are not to allow other students to drive their cars onto or off school grounds.
11. Students are to obey all city and state traffic regulations. Students are to follow all ONE WAY directional signs. The speed limit in all parking lots is 10 MPH.
12. **All fees and fines must be paid before receiving a parking permit.**
