

# Summer ART CAMP

nurturing creativity through crafts at the  
Ohio Craft Museum

Summer fun begins at the Ohio Craft Museum!  
We've got camps and workshops for students of  
all ages. Register now! [www.ohiocraft.org](http://www.ohiocraft.org)

## Young Masters Summer Day Camp

Entering grades 1–6 • Half Day \$110 • Full Day \$195

### Lights, Camera, Art! June 11–15

Create projects: masks, puppets, music makers, etc., that are incorporated into a final performance.

### Tell Me a Story June 18–22

Discover creative and unusual ways to tell a story, and bring a character to life.

### My Place at the Table July 9–13

Create items to set a table inspired by global cultures and discover what your place at the table looks like.

### Where I Live! July 23–27

Transform a variety of media into creative, inviting shelters and communities.

### Recycdart July 30–August 3

Discover ways to upcycle used or found objects into amazing works of art.

## Detailed descriptions available at [ohiocraft.org/education](http://ohiocraft.org/education)

This is not a program of Bexley, Worthington, Grandview or any other public school.

### Ohio Craft Museum

1665 W. Fifth Ave.,  
Columbus, OH 43212  
614-486-4402

Artwork above created by Shivani T.

## Teen Summer Workshops

Entering Grades 6–12 • \$65 per half-day session

### Session 1: June 6–8, Wednesday–Friday

#### AM SESSION: 9:30–NOON

**3D Mash-Up:** Design, sculpt, bake and paint a unique 3D piece with a personality of its own.

**Knot your Mother's Macrame:** Make an awesome macrame wall hanging, plant holder and jewelry using simple knotting techniques with cotton roping, jute, driftwood, beads, shells, etc.

#### PM SESSION: 1–3:30 PM

**My Island:** Create an island environment for a 3D figure you've created or one that lives in your imagination.

**Puff Pebble Sculpture:** Construct a unique soft sculpture, inspired by a Chilean artist, using t-shirts in a creative way to make a colorful wall hanging.

### Session 2: June 25–27, Monday–Wednesday

#### AM SESSION: 9:30–NOON

**Papier Maché-Up:** Explore the ancient art of papier maché, creating a figurative piece unlike anything taught in your elementary art class.

**Glass Fusion:** Use a variety of colorful layers of glass to create a pendant, sun catcher and more.

#### PM SESSION: 1–3:30 PM

**Stopmotion Claymation:** Combine art and technology to create a claymation video. Write a script, create clay characters and sets.

**Paper Transformation:** Learn the process of making paper and explore the versatility of forming it into 3D objects.
