

## **Think Spring!-Break Art Day** **Mondays, March 19th or March 26th**

Spring into a day of creative fun! A team of teaching artists will lead young artists in a variety of crafts that explore and incorporate the themes of spring, nature, growth and color, using materials such as natural items, fiber, wood, polymer, paint, etc.

Students (grades 1-6) will create two projects in the morning and two different ones in the afternoon. Sign up for either an all-day or half-day experience.
