Re: Bus Schedules for 2020-2021 and Transportation Arrangements

We are looking forward to welcoming our students who attend the Columbus Career Centers on board. Please note the following information and schedules below regarding transportation arrangements to the Fort Hayes Career Center and the Columbus Downtown High School.

If you have not yet registered for transportation to/from the career center, please visit the transportation page on our website at www.wcsoh.org and complete the Career Center Information Form. Please call 614-797-5950 with questions regarding career center transportation.

Please Note: *Columbus Career Center Bus Riders are NOT able to use their neighborhood morning bus routes to make their morning Career Center buses and/or shuttles.*

COVID19 Considerations and Information

Westerville City Schools (WCS) continue to work closely with the CCS District during this pandemic period. The Westerville City Schools District (WCS) Transportation Department may be required to adjust transportation arrangements based on state and local orders and/or district operations. WCS and/or CCS will communicate those adjustments with families as soon as possible.

In addition to CCS policy, Westerville City Schools requires all passengers to wear a face covering that covers the chin, mouth, and nose. Our drivers will be enforcing this requirement. Students who forget to bring a mask to wear on board will be provided with a disposable mask to use for the day while on the bus and/or at school. Repeated violations of this requirement may result in loss of school bus riding privileges.

Calamity Day*/ Delayed Start Information

Westerville City School's Transportation department would like to inform you of our policy for inclement weather schedule impacts. Please read the following information to see how this policy may affect your child's transportation to their career center of attendance.
