

Dear WCSD Families:

We are now prepared to share details regarding the third phase of Chromebook distribution. On Wednesday and Thursday of this week (April 8 and April 9), and then again Monday through Friday of next week (April 13-17), curbside Chromebook distribution will be available at the following times and locations:

- 11 a.m. to 1 p.m. at Huber Ridge Elementary (5757 Buenos Aires Blvd.)
- 5 p.m. to 7 p.m. at Robert Frost Elementary (270 N. Spring Rd.)

As a result of our first two phases of Chromebook distribution, we believe we have addressed the most significant need for devices among our families. Therefore, if you already secured a Chromebook from us but would benefit from having another device in your home, you will be able to pick up an additional device according to the dates, times and locations listed above.

Thank you for your continued patience, support and understanding as we continue our efforts to meet students' technology needs during these unprecedented times.

Sincerely,

Dr. John R. Kellogg  
Superintendent
