VCC AFTER SCHOOL AND SUMMER

Vineyard Community Center's K-12 After School Program offers a faith-based, holistic view to after school care. We provide learning opportunities, a meal, community building, and an opportunity for children to grow in their social/emotional competencies in a safe environment. We offer academic enrichment, art, physical recreation, and service learning projects.

Our program starts on August 27th and costs \$950* for K-5 and \$600* for middle school and high school (for the school year AND summer)! We run every weekday from 3p-6p. For more info or to register online, visit
