## Make a Difference Scholarship

We want to learn about you. Tell us about yourself. This is your time to shine! It may be in paragraph or resume form. We will receive your high school transcripts with names redacted. The length may be of your choosing. A supplement letter from a teacher or mentor is also acceptable.

How did your attendance in high school impact and improve others' lives? Did someone change you because they reached out to you while in high school? If so, how did that change you? How have you been able to reach out to others and make a positive difference to them?

What extra-curricular activities were you involved in? Tell us about any job or volunteer experiences you have had. Have you won any honors or awards? What are your goals after high school? How do you plan to reach those goals?

Thank you for taking the time to apply for our scholarship. Please return your application to your counselor by the date provided.
