My Bookworm Box is a subscription book box service for preschool and elementary school children. We are the ultimate reading solution for *on-the-go* parents! We are a perfect fit for busy moms (and dads!) who don't have the time (and maybe the energy!) to go to the library or bookstore every week.

Our book box service is easy, just read & return!
And don't worry, there are no long-term commitments and you can cancel anytime.

We send books weekly or monthly to your home designed to fit your child's reading level. We provide enough books for you to read for at least the recommended 10-15 minutes each day (outside of school and homework).

Reading is so important and as life gets busy with football, soccer, choir, band, etc., we tend to miss out on the important things - like reading!

How it Works

1. Go to our website: www.mybookwormbox.com.
2. Choose the Bookworm Box to best fit your child's reading level.
3. Pick the frequency you want to receive your box & sign up.
4. We will email you to coordinate and also send a profile survey to complete, so we can customize the books we send you to read.
5. Last, enjoy reading! We provide everything you need to return the books (*free shipping!*) and then you look forward to your next box. It's Easy!
